

## **2025 OPEN CLASS RULES**

The building in which the Open Class entries will be exhibited will be secured to the best of our ability during the Fair. While the utmost care will be taken to protect entries, no responsibility for loss or damage to any item can, or will be assumed by the YCF&R, its Management, Employees and/or Volunteers.

All entries are entered at your own risk.

**Open Class Rule 1 Entries:** Write all entries clearly, using only entry forms furnished by the Yamhill County Fair. Entry forms must be completely and properly filled in. Please use a separate entry form for each department. The management reserves the right to reject any entry, if it is deemed objectionable in any way; requires excessive space, is offensive by reason of odor or appearance, dangerous by reason of explosive or combustible character. Upon entering an article, a card will be furnished to each exhibitor, specifying the class and number of the entry. All entries must bear the entry tag. Every article must be entered for competition in the name of the owner or maker. Anyone trying to deceive the judge in regard to ownership, or who purchases or borrows articles to enter in his or her name, shall forfeit all claims as an exhibitor. The Yamhill County Fair Board retains the right to reject any exhibits when it becomes apparent that the facilities in question are full to capacity. Entries not accompanied by owners or their agents must be consigned entirely at the owner's risk. An exhibitor will not be awarded more than two cash premiums in any one class. Ribbons shall be given out in order of placing by the judge. A person having entered an item for competition will not be allowed to withdraw or change the entry after the opening of the YCF&R, except Floral Entries, which may be replaced with fresh stock after the first day if wilting or deteriorating.

Exhibitors must attach names to all varieties entered by them, and judges may refuse to award premiums to varieties not correctly named.

Only one entry per exhibitor in each class (unless specified below).

Please note age group on entry form, Adult or Youth (4 to 15 years).

There are no entry fees.

**Open Class Rule 2 Judging:** The superintendent may close an area to the public while judging is in progress. The awards will be marked 1st, 2nd, 3rd, and Best of Show, and will be made according to the merits of the exhibit. The judge may disqualify or award 2nd or 3<sup>rd</sup> premiums at his/her discretion. The judge shall disqualify or transfer to the correct section (at his/her discretion) any exhibit, which is not a true representative of the class or section in which it is entered. The judge may disqualify any exhibit not of show quality. The judge's decision will be final. An article without merit shall not be awarded a premium whether there are one or more entries in the class or division.

Grains and seeds are grown principally for milling purposes or for seed and are judged from that standpoint. All grains and seeds are judged for excellence of varietal characteristics, freedom from foreign matter, weed seeds, dirt, etc.

## YAMHILL COUNTY FAIR & RODEO

**Open Class Rule 2 cont. :** Where there is one exhibit in a class, the award shall be made on merit alone, and a lesser premium than first, or no premiums, may be awarded. Judges or any member of the immediate family or friends will not be allowed to show in departments they are judging. Any person interfering with the judges during their adjudication will forfeit the right of premiums and ribbons. All Superintendents are required, and exhibitors are requested to report any violation of this rule to the YCF&R Management. Any one causing arguments or physical disturbance during the judging of a class will be removed from the fairgrounds and any premiums awarded in the class being judged may be forfeited at the discretion of Fair Management. An error in the record of premiums awarded caused by oversight or neglect on the part of the Superintendent or clerk shall be subject to correction by Fair Management.

**Open Class Rule 3 Static Exhibit Release:** Release time for Static Exhibits will be the Sunday following fair closing. Please bring exhibit tags.
